CERTIFICATION

Fire Classification - EN 13501-1:2010-
Cfl-s1 certified by LNEC

Grimaldi

Our rugs are manufactured by Hand and will show irregularities.

These irregularities could be due to yarn and colour variations and a combination of the cut and loop pile or carving techniques used.

Colours can vary from dye batch to dye batch and will appear different in certain lights.

Samples of the chosen design, yarn and colours are recommended as the yarn used is then recorded for the order.

Care and Cleaning details can be found on the website.

All our rugs are made to order and each one is different and unique.
